Can you believe fall is just around the corner and fall is so pretty with the vibrant colors we have in our area. We are really lucky to enjoy the changing of the colors and not have to travel thousands of miles to see them.

The Children's Art Show is the end of September. This is a special show for young artists and we need your help and support in keeping the guild open for the families to see the art projects their children are showing. Please contact Charlotte Moroney if you can be a docent during the show.

Open paint days are being discontinued on Thursdays until further notice. We had several artists request the paint days, but participation has been minimal. We may continue with paint days in the future.

Steve Spencer presented a drawing demonstration on August 20 if you did not attend you missed a great two hours. Patrons of the art and fellow artists attended the demonstration. It was amazing what he completed in such a short time. The eighteen individuals who enjoyed his demonstration say "Thank You" Steve for spending an enjoyable evening with us. Thanks Rehle Higham for arranging a fascinating evening for the individuals attending.

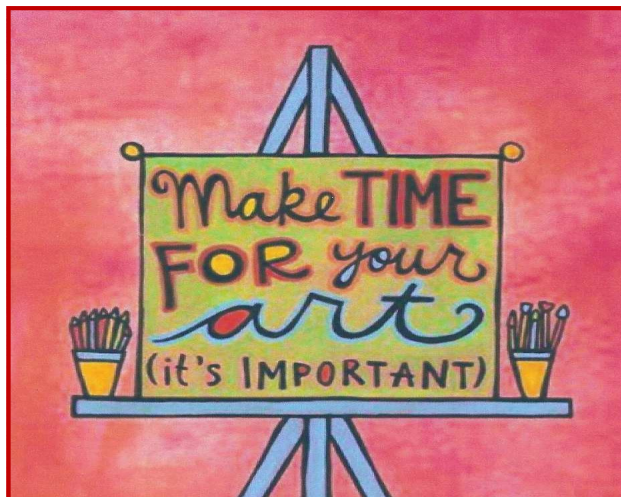

Kamber Weninger, Jamie Weninger and Tobin McClellan helped us with our tie dye shirt project in August. Thank you for assisting us with you expertise and knowledge so we would not destroy the tie dye shirts (children's fun art project) for our upcoming Children's Art Show. Thanks again.

September 5 is the Gallery Walk 5pm to 8pm, hope you have delivered your fall paintings to the Guild for the fall show "Beauty of Fall Colors". If you can help keep the gallery open Thursday, Friday and Saturday through September 20 please contact me. Gallery hours are noon to 4pm and we need docents.

The end of October we are having a 2 day oil painting class taught by Elisha Shuman. There will also be plein-air painting in an apple orchard. See additional information in our October newsletter.

Elections are coming up, enclosed is the criteria for the guild elections. Please read it thoroughly and follow the rules for self-nomination for the President, Vice-President, Secretary, Treasure and Board Directors (3).

Enjoy the fall and see you soon.

## **CHILDREN'S CLASSES**

We have been getting a lot of interest in our children's classes. These classes are free and are continuing to grow. We are expecting full classes so sign your child up early to insure their spot.

For the classes on August 10th we had a considerable turnout of eleven kids for the kid's class ages 5-8 and three kids for the 9 to 12 age group. Both classes were a lot of fun! The kids were very creative in making some really cool clay sculptures. They made some unique and interesting pieces. After class we had the children screen print their T shirts. It was a lot of fun and we had a very active day.

For the September 14th classes per request of the kids we will be painting a still life for the ages 5-8 class. For ages 9-12 we are going to be doing a composition of collage and drawing. After the classes we will be preparing the pieces selected by the kids for the Elementary Art Show for exhibition.

I'm getting very anxious and excited to see what the kids bring in for the upcoming September Children's Show. Following the kids classes I will be helping on exhibit preparations for the Children's Show.

Thank you **Kamber**
