## CHILDREN'S CLASSES

Wow ! What a turnout ! I believe every kid that has come to the kids art classes showed up for the artists reception. We had a wonderful time. Thanks to everyone that showed their support in this endeavor. It means a lot to the kids.

For October we had even more participants for the classes. There were twelve kids in each class.

We made masks or head wear (crowns) for both classes and learned about the Halloween tradition of disguises. I received a couple of comments after the class about how the kids continued to play with their masks for hours afterwards. Needless to say it was a lot of fun !

For the classes in November and December we will be learning about the holiday traditions of our culture. We will be doing the same thing in both classes (like we did in October) so the children can attend either class at either 10:00am or the 11:30am class since they will all be doing the same thing and having fun. for information contact **Kamber** at 589-1288

**Thank you Kamber and Crystal for the fantastic job you are doing with the children's classes.**

**Your work is greatly appreciated.**
